

General Construction Worker

Burnaby, BC

Alka Pool Construction Ltd. specializes in constructing high-value poolscapes and has built a very successful business for over 55 years. Alka Pool is looking to hire two (2) general construction workers in full-time positions to grow with the company.

The role of the general construction workers includes providing all aspects of construction in the swimming pool industry at Alka Pool's various project sites. A successful candidate is a person who is an effective communicator (verbal and written), problems solves, and has a mechanical sense, enjoys physical work in the outdoors, and is experienced in various aspects of construction (commercial and residential).

Role & Responsibilities

- Swimming pool construction; involving but not limited to forming, steel/rebar placement, piping (Industry specific) placement and general construction duties. Concrete placement and finishing, site clean up.
- Drawing interpretation
- Answering to foreman, Project Manager or COO.
- Completing timesheet bi-weekly
- Completing work orders for project cost plus work
- Work may require occasional out of town work for periods of 1-3 weeks.
- Duties as assigned.

Skills & Qualifications

- At least 3-5 years experience in construction
- Highly organized, long term planner
- Knowledge of commercial construction sites.
- Must have own transportation to and from project sites
- Strong math skills
- Ability to read and interpret construction drawings
- Excellent written and oral English skills
- A positive, can do attitude that thrives in a fast paced environment
- Self motivated and works well both as a team member and independently.
- **Bonus Skills** (not mandatory):
 - Swimming pool industry experience
 - Hydraulic engineering knowledge

Own Tools

- Hard hat, safety gear: Steel toe safety boots (CSA Approved), visibility vest, etc.
- Valid Driver's licence and own vehicle
- Hand tools

Compensation

Competitive, dependent upon on: skills and experience.

Compensation includes a competitive hourly wage ± 40 hrs / week with extended health and dental benefits upon completion of probationary period. Position is full-time work within the lower mainland and on various project sites throughout BC. With proven skills, knowledge and attitude advancement is available.
